### ABOUT PORTLAND JAPANESE GARDEN

Portland Japanese Garden is a 501(c)(3) nonprofit organization founded in 1963 as a place for cross-cultural understanding following World War II. Since opening year-round to visitors in 1967, Portland Japanese Garden has become a global destination for Japanese art, nature, and peace in Portland, Oregon. It is considered the most authentic Japanese garden outside of Japan and the foremost Japanese cultural organization in North America.

Portland Japanese Garden was originally established with five distinct garden styles:

*Tea Garden with Kashintei Tea House*

*Natural Garden*

*Sand and Stone Garden*

*Strolling Pond Garden*

*Flat Garden*

The 2017 **Cultural Crossing** expansion introduced three new public gardens, designed to immediately immerse visitors in the experience and demonstrate a wider array of Japanese garden techniques:

*Tsubo-Niwa*

*Entry Garden*

*Bonsai Terrace*
